Dear Professor Ertaul,

On behalf of the Berkeley Turkish School I would like to thank you for your leadership, generosity and the many hours you have donated to our mission. Your commitment to helping Berkeley Turkish School teach our children our cultural heritage is sincerely appreciated.

Each year Berkeley Turkish School continues to advance its mission of inspiring the children of the Turkish American community and their ability to understand, speak, read, and write in Turkish. Through our school's educational programs we have not only seen an increased spark and interest in our children's abilities in speaking in Turkish but also a stronger community that has been growing over the past two years. In particular our school has enjoyed great success in the past year with increased enrollment.

The goal of the Berkeley Turkish School is to continue to make a difference in teaching our children Turkish culture through creativity. With the help of supporters such as you we will continue to see improvements in our cultural programs.

Thanks again for your generous support of our efforts at the Berkeley Turkish School.

Sincerely,

Başak Altan
President, Founder
