

February 12, 2018

Dr. Levent Ertaul
Professor
Cal State East Bay
25800 Carlos Bee Blvd. SF 552
Hayward, CA 94542

Dear Dr. Ertaul,

The Office of Diversity, Leadership and Employee Wellness would like to thank you for your role in making the 2018 “Week of Inclusive Excellence” a success. We have received positive feedback about the Faces of STEM Workshops from students, faculty and staff alike. My office greatly appreciated the time, energy, and hard work that you invested in helping us execute that week.

The “Week of Inclusive Excellence” has now become a signature event at Cal State East Bay that supports our students, staff and faculty in increasing their understanding of diversity, equity, social justice and inclusion.

Again, thank you for sharing in this journey with us to bring more enlightenment, validation, and unification to the campus we serve.

Sincerely,

A handwritten signature in black ink that reads "Dianne Rush Woods".

Dianne Rush Woods, Ph.D.
University Diversity Officer
